Nov. 1, 2021

Dear NACI Parents and Guardians

We hope you are all doing well. November is a busy month and we wanted to provide some updates regarding extra support and mid-term report cards.

1. Friday November 5th and Wednesday November 10th are credit rescue days. Students who are struggling in a course will be asked to attend class and receive extra help from their teacher. For students whose credit is at risk, teachers will be reaching out by email and/or phone calls. Please pay extra attention to phone messages and emails from teachers this week and next week. On these days:
 - Attendance will be taken for all students.
 - Students who do not need extra help will login virtually and complete independent work provided by the teacher.
 - Students who attend in-person and need extra help will come into school for help.
 - Students who attend virtually and need extra help will login virtually for extra help.
 - If virtual students wish to come in on the credit rescue days, arrangements can be made with the teacher.
2. Report cards will be sent home electronically on November 19th.
3. Parent teacher interviews will be held virtually on Tuesday November 23rd. Appointment times will be available 1:00-3:30 and 5:00-7:30 pm.
4. Information about how to sign up for an appointment will be sent home shortly.
5. We have many extra-curricular activities happening and are planning for our 3rd annual NACI BeWell conference. To support these enrichment activities, we are asking all students to pay a \$20 student activity fee. Please visit [School Cash On-line](#) for instructions. Fees for additional items, such as yearbook, will be shared soon.
6. Start of year forms were sent out electronically to all parents. Thank you to those parents who have filled them out on-line. The forms have been resent. If you have not filled them out, please do so. It is important we have up-to-date information and permission for a variety of items. Please look for TDSB Start of Year forms in your email.

Sincerely,

Faz Khan
Principal
